Instructions for Test CA-2 of CHE 110

Dear students,

Following are the instructions for CHE 110 CA2:

- Schedule: Test will be held in the Second lecture-CHE110 of the week (14th-19th Sep 2026)
- Assignment type: Online test
- Students need to bring their laptops for CA 2 as it will be conducted on OAS platform.
- Questions are given in online mode
- Students need to come to class on time for timely conduct of the CA.
- **The laptop batteries must be sufficiently charged for CA 2(minimum 50 minutes backup) The test may close in case of lack of battery.**
- **Students need to clear all caches and background apps because if the notifications pop up during CA exam the test will close.**
- **There should not be any unwanted network extensions in your laptop.**
- **Total 30 Questions, 1 mark each, 40 minutes duration, no negative marking**.
